### Volunteer Application Form

Thank you for taking interest in volunteering with Alderbury Youth Football Club.

Volunteers are the backbone of grassroots football. Without the time, dedication and commitment from the estimated 400,000 volunteers in England, the 37,000 clubs would simply not exist.

A football club is about more than just the players on the pitch. Alderbury Youth FC recognises the value of volunteers and aims to support and acknowledge the contribution they make to the club.

As an FA Charter Community Club we are held accountable by the FA to uphold the highest of standards, including adoption of the FA Safeguarding Children Policy, and therefore operate a robust recruitment and selection procedure to help screen out those who are not suitable to work in youth football. Therefore we ask all volunteers to complete our club's application form to help us with our selection process and to ensure that we are able to offer you the support you need as a valued volunteer.

Please complete all sections of the form and return via email to the Club Welfare Officer at: [owenalderbury@gmail.com](mailto:owenalderbury@gmail.com)

You will be required to meet with a member of the club committee prior to approval for you to undertake the voluntary role for which you have applied. This will be arranged to take place at a mutually agreeable time.

If you are volunteering for a role where you will work directly with children and young people you will be required to hold a valid FA Criminal Records Check (CRC) certificate.

Alderbury FC takes your privacy very seriously. We process information about you in accordance with General Data Protection Regulations. For further information on why and how we use your data, please refer to the GDPR Privacy Notice on the club's website: [www.alderburyfc.com](http://www.alderburyfc.com)
